Working Program for Postgraduate Retreat – 24 and 25 February 2009
Coach house Marina Resort
49 Beach Road Bateman's Bay
(<http://www.coachhouse.com.au/>)

Overview: A workshop for Indigenous Research Postgraduates at the ANU – including Postgraduates attached to Indigenous higher education centres. The main aims of the retreat are:

- a) To bring together postgraduates working in different disciplines at the ANU;
- b) To briefly profile candidates' topics with support and feedback;
- c) To look at pathways in organising a thesis and doing Indigenist research; and
- d) To identify practical issues in doing higher education at the ANU.

Overall - we hope this will foster consolidation of networks, the exchange of information, help progress research themes and create greater 'space' and recognition for Indigenous research at the ANU.

Preliminary logistics: Transport from Canberra to Bateman's Bay will be provided. Buses will leave outside the AIATSIS entrance at ACTON at 8.30am sharp on the morning of the 24th. There is some capacity for travel assistance for inter-staters. For all planning, travel and special accommodation requests please contact Wendy Antoniak (Wendy.Antoniak@anu.edu.au - 02 6125 0092; Wednesday-Fridays).

Timetable: The workshop will start at 11am on Tuesday 24 February and finish at 3pm Wednesday 25 February 2009. Vehicle and/or bus transport will leave Canberra at 8.30am on the 24th and return from 3-4pm on the 25th back to Canberra.
