A way through
A forum for Rick Farley

The late Rick Farley was the leading advocate for Australia’s farmers, our environment and for Indigenous rights. To mark the publication of his biography, join authors Susan Boden and Nicholas Brown and a panel including Mick Dodson, John Kerin, Penny Spelder and Phillip Toyne, to discuss how Farley’s example could contribute to tackling the tough political and environmental challenges of today.

Bookings essential: email bookings@nma.gov.au or phone (02) 6208 5021.
